

RULE BOOK
DATA VORTEX A'26
Round 2

Event Overview:

- **Theme:** Rebuilding the Social Engine
- **Event Venue:** Online & Offline
- **Dates:** 17th September 2026 - 19th September 2026
- **Participation Type:** Individual as well as team(1-2 members)

Event Description

Although the Social Engine can now analyse structured data, it still struggles to understand the meaning, tone, and intent behind human language because its semantic.

The comprehension layer has failed. Now, participants are rebuilding this NLP-driven module.

Round 2:

Task: In this phase, participants are provided with Dataset 2, a labelled textual dataset. The Social Engine's semantic understanding layer has failed and teams must rebuild it using Natural Language Processing techniques. They have Dataset 2, which contains labelled text useful for tasks like classifying sentiment, modelling topics, or recognising entities.

- Starting date: Day 5 (17 th September 2026)
- Deadline: Day 6 (**18 September 2026, 11:59 PM**)
- Submission Format: A PDF report. A Google Form link will be shared for submission.

Sections to Include:

- NLP Model Script/Notebook
- Trained Model Files (Optional: .pkl, .h5)
- Evaluation Metrics Report
- Round 2 Technical Report (PDF)

Guidelines:

Technical report must include:

- Problem Definition
- Preprocessing Pipeline
- Model Selection
- Training Methodology
- Evaluation Metrics
- Confusion Matrix
- Error Analysis

Evaluation Criteria:

- Model Performance & Evaluation matrix
- Model selection & Justification
- Processing & Pipeline Design
- Error Analysis
- Explanation logic & Clarity

Outcome:

- Submissions will be evaluated by a panel of judges. Shortlisted teams will advance to Round 3.

General Rules:

- Team size must be between 1- 2 participants.
- All submissions must be original.
- Plagiarism will result in immediate disqualification.
- Late submissions will not be accepted.
- Teams must maintain their GitHub repositories throughout the competition.
- Any attempt to manipulate evaluation results will result in immediate disqualification.
- The organising committee reserves the right to verify code, outputs, and methodologies.
- The organising team reserves the right to modify timelines under exceptional circumstances.
- All decisions made by the judging panel shall be final.
